You've written and compiled an **Classification Study Guide** ebook. Now you have to determine how a lot to charge for it. Discovering the right price is important to the success of your product. If you cost too little Classification Study Guide, folks will suppose it's of little worth, and they will not buy it, and even if they do purchase your guide, you'll have to sell hundreds of copies to get to the point the place you may begin to see a profit. If you *Classification Study Guide* value it too high compared together with your competitors, you'll find your self steadily reducing the price, which can trigger you all kinds of new problems within the future.

Selecting the best price for your **Classification Study Guide** e book is one of the most important elements of the advertising and marketing process. The first rule of pricing ebooks is to never underprice. Decide the highest price your viewers can afford, and then in the event you discover your ebook isn't promoting, you may at all times reduce the price. Earlier than you take that step, be sure you are selling your Classification Study Guide e-book like crazy on the Web and on websites. The value must be aimed toward bringing in earnings, but you must by no means neglect that worth is among the factors that people use in judging the worth of your *Classification Study Guide* e-book ? earlier than they purchase it. So all the time begin with the very best price, and then launch a mega-advertising campaign.

Pricing an e book is especially tough because ebooks are a fairly new commodity. Since they're digital, the value of an book is as confusing as the understanding of what digital really is to the

common layperson. Which means that we must look at ebooks in a distinct gentle so as to determine their precise value on this brave, new cyber world.

Let us take a look at the difference between a book in print and an ebook. A printed e-book is an object you can hold in your hand, store in your bookshelf, even hand down to the next generation. It's priced on factors such as paper inventory, design and production costs, and marketing.

However the truth that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books that have the ability to vary, or probably remodel, folks's lives.

What do you assume an idea is worth when evaluated against the cost of paper and ink?

It is the IDEAS which might be worthwhile! That is how you determine the cost of your ebook.

What should I cost for my concepts?

There are all totally different formulation and methods for figuring out the right value to your ebook. Let's start with honing in on your final goals.

Decide in case your purpose is to get large distribution and maximum exposure. This goal is aimed toward drawing customers to your enterprise or service, or to establishing the credibility of your reputation. If this is your foremost aim, you should intention to maintain your price on the low side. Some authors have even priced their ebooks at a revenue loss to draw a high number of new customers. The bottom line is to find a price that maximizes your income and the number of books you sell.

This is an excellent pricing technique if you're seeking to acquire lengthy-term customers. Lengthy-time period customers are extremely doubtless to purchase from you once more and again ? so long as the primary book they buy is of exceptional quality and useful to the customer.

Nevertheless, if your book accommodates priceless ? and more importantly NEW info, references, or techniques ? then it's best to goal to price it on the high end.

After you determine your objective, you could determine what your audience's want is in your ebook. For instance, does your book clear up a selected downside? If it does, and solves it in a approach that hasn't been written about in one hundred other ebooks, you can be able to achieve high sales at

a high price. If your ebook solves a problem or answers questions in a new and distinctive manner, it is best to value your guide as high as you possibly can go. You'll obtain bigger income this manner, but bring in fewer customers. Just make certain the query or drawback that your e book solves is one that is necessary and related to the vast majority of your market audience. In case your concepts will not be frequent knowledge, or you're presenting a brand new approach, it is possible for you to to promote books at a excessive price. Just be prepared on your competitors to undercut you on value as quickly as they hear about your book.

Remember that the above pricing technique is temporary. Ultimately, you'll stop to sell books at this high price. So work out prematurely how lengthy you plan to offer your e book at this excessive price, and when that point is up, change your pricing strategy.

If you wish to see massive income over buyer draw, intention for an viewers that's looking for simple options to their issues at a low price. If your ebook is aimed at solving one particular drawback reasonably than general recommendation, then you may charge more. Begin on the highest value the market will bear to bring in the largest income, and plan to discount the e-book a number of instances throughout the year.

Marketing Strategies

The important thing that unlocks the sales potential of your e book is to discover a single sentence that turns into your selling handle. This sentence states what query or drawback your guide solutions and the benefits your e book can provide. Then remember to use that sentence in each piece

of sales and promotional material, and each time anyone asks you about your ebook.

Moreover promoting your books assiduously online, there are several other strategies that can aid you promote more books.

One is to offer something away at no cost together with your e-book, similar to a precious bonus item. Or bundle several ebooks below one value, which lowers the price for every e book if they were offered separately.

An effective approach for figuring out a value is to send out a survey to your present customers. If these customers have already bought an e book from you, ask for their opinion in terms of price. Do that by creating a sales web page for the new e book, but don't embody a value on that page. As a substitute, add numerous links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out prices by creating a variety of duplicate gross sales pages with completely different prices on every page. Be sure that your sales copy is strictly the identical on each page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. It will inform you what your optimum worth is.

Finally, in case you've written a book that solves a problem or presents a brand new method, your e book will herald each traffic and profits. So make sure you write that selling-handle sentence that sums up what problem your ebook solves and what the advantages of your *Classification Study Guide* guide will be to the purchasers who buy it. And then watch your market come to you!
