Selecting the best value to your **Enriched Air Diver Manual Padi Metric** ebook is without doubt one of the most important elements of the marketing process. The first rule of pricing ebooks is to never underprice. Decide the best value your audience can afford, after which in case you discover your e-book isn't selling, you may all the time cut back the price. Before you're taking that step, make sure you are promoting your Enriched Air Diver Manual Padi Metric e book like crazy on the Internet and on websites. The value needs to be aimed toward bringing in income, however you must by no means overlook that price is one of the elements that people use in judging the worth of your *Enriched Air Diver Manual Padi Metric*

ebook ? earlier than they purchase it. So always start with the highest worth, and then launch a mega-marketing campaign.

Pricing an e-book is particularly troublesome as a result of ebooks are a reasonably new commodity. Since they are digital, the worth of an e-book is as complicated as the understanding of what digital actually is to the average layperson. This means that we must have a look at ebooks in a special mild as a way to decide their actual value on this brave, new cyber world.

Let's look at the difference between a e book in print and an ebook. A printed e-book is an object you may maintain in your hand, store in your bookshelf, even hand down to the subsequent generation. It is priced on factors such as paper stock, design and production prices, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It's the concepts in these books which have the flexibility to change, or presumably remodel, folks's lives.

What do you assume an idea is worth when evaluated against the price of paper and ink?

It's the IDEAS which can be priceless! That is the way you determine the price of your ebook.

What should I cost for my concepts?

There are all totally different formulas and strategies for determining the right value for your ebook. Let's begin with honing in in your ultimate goals.

Determine if your purpose is to get extensive distribution and maximum exposure. This purpose is aimed toward drawing prospects to what you are promoting or service, or to establishing the credibility of your reputation. If that is your principal aim, you need to intention to maintain your value on the low side. Some authors have even priced their ebooks at a profit loss to attract a high number of new customers. The secret is to find a worth that maximizes your profits and the variety of books you sell.

This is a wonderful pricing strategy if you are looking to acquire lengthy-term customers. Lengthy-term prospects are extraordinarily seemingly to purchase from you again and again ? as long as the primary ebook they purchase is of exceptional high quality and useful to the customer.

However, in case your e-book incorporates valuable ? and extra importantly NEW info, references, or methods ? then you should intention to cost it on the excessive end.

After you figure out your purpose, you will need to work out what your audience's want is on your ebook. For example, does your book clear up a particular downside? If it does, and solves it in a method that hasn't been written about in one hundred different ebooks, you will be able to obtain excessive sales at a high price. In case your e-book solves an issue or solutions questions in a brand new and distinctive means, you should worth your e-book as high as you can go. You will obtain larger profits this way, however bring in fewer customers. Just ensure that the question or downside that your e book solves is one which is essential and related to the vast majority of your market audience. In case your ideas aren't widespread information, or you might be presenting a brand new approach, you will be able to promote books at a high price. Just be prepared to your competitors to undercut you on value as soon as they hear about your book.

Take into account that the above pricing strategy is temporary. Eventually, you'll stop to sell books at this high price. So determine prematurely how long you plan to offer your book at this high value, and when that point is up, change your pricing strategy.

If you want to see large income over buyer draw, purpose for an viewers that's in search of straightforward solutions to their issues at a low price. In case your e book is aimed toward fixing one explicit drawback rather than common advice, then you can charge more. Start at the highest worth the market will bear to bring in the largest income, and plan to low cost the ebook a number of occasions all through the year.

Marketing Strategies

The important thing that unlocks the sales potential of your ebook is to find a single sentence that becomes your selling handle. This sentence states what query or drawback your e-book solutions and the benefits your e-book can provide. Then you'll want to use that sentence in each piece of gross sales and promotional material, and each time anyone asks you about your ebook.

Apart from promoting your books assiduously on-line, there are a number of different methods that can help you sell more books.

One is to provide something away free of charge along with your ebook, corresponding to a beneficial bonus item. Or bundle several ebooks beneath one value, which lowers the worth for each e-book in the event that they had been offered separately.

An efficient approach for figuring out a value is to send out a survey to your present customers. If these prospects have already bought an e-book from you, ask for his or her opinion by way of price. Do this by creating a sales web page for the new ebook, however don't include a price on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a variety of duplicate gross sales pages with different prices on every page. Be certain your gross sales copy is strictly the similar on each

page, and consists of your selling-handle sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. This can tell you what your optimum worth is.

In the end, in case you've written a book that solves a drawback or presents a new approach, your e-book will herald both traffic and profits. So you'll want to write that selling-deal with sentence that sums up what downside your book solves and what the benefits of your *Enriched Air Diver Manual Padi Metric* e book will be to the purchasers who buy it. And then watch your market come to you!
