Advertising and marketing Methods

The key that unlocks the gross sales potential of your e-book is to find a single sentence that becomes your selling handle. Another strategy is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Be sure that your sales copy is precisely the identical on

each page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum price is.
