For those who *Integrated Algebra Regents Survival Guide* value it too high when put next with your competition, one can find your self steadily lowering the worth, which will trigger you every kind of new problems within the future.

Selecting the best value for your **Integrated Algebra Regents Survival Guide** e-book is without doubt one of the most important components of the marketing process. The first rule of pricing ebooks is to by no means underprice. Decide the very best price your audience can afford, and then in the event you find your e-book isn't promoting, you possibly can at all times cut back the price. Before you are taking that step, ensure you are promoting your Integrated Algebra Regents Survival Guide ebook like crazy on the Web and on websites. The value should be aimed at bringing in earnings, however you should never neglect that worth is without doubt one of the factors that people use in judging the value of your *Integrated Algebra Regents Survival Guide* book ? before they purchase it. So all the time start with the best worth, and then launch a mega-advertising campaign.

Pricing an book is especially tough because ebooks are a reasonably new commodity. Since they are

digital, the value of an ebook is as confusing as the understanding of what digital actually is to the average layperson. Because of this we must look at ebooks in a unique mild with the intention to determine their actual price on this courageous, new cyber world.

Let's take a look at the distinction between a e-book in print and an ebook. A printed guide is an object you'll be able to hold in your hand, retailer in your bookshelf, even hand down to the subsequent generation. It's priced on elements such as paper inventory, design and manufacturing prices, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It is the concepts in these books that have the power to alter, or probably rework, individuals's lives.

What do you assume an thought is price when evaluated against the price of paper and ink?

It is the IDEAS which are useful! That is the way you decide the price of your ebook.

What should I charge for my ideas?

There are all completely different formulas and strategies for figuring out the correct price to your ebook. Let's start with honing in in your final goals.

Decide in case your purpose is to get wide distribution and maximum exposure. This objective is aimed toward drawing prospects to your corporation or service, or to establishing the credibility of your reputation. If this is your most important purpose, you need to aim to maintain your worth on the low side. Some authors have even priced their ebooks at a profit loss to attract a high number of new customers. The secret's to find a value that maximizes your earnings and the number of books you sell.

This is an excellent pricing technique if you are looking to acquire long-time period customers. Lengthy-time period clients are extremely probably to purchase from you once more and again ? as long as the primary e book they purchase is of exceptional quality and beneficial to the customer.

Nonetheless, in case your book comprises priceless ? and more importantly NEW info, references, or strategies ? then you must goal to price it on the high end.

After you figure out your goal, you should determine what your viewers's want is for your ebook. For example, does your guide clear up a selected drawback? If it does, and solves it in a manner that hasn't been written about in 100 other ebooks, you'll be able to achieve excessive gross sales at a

excessive price. In case your e book solves an issue or answers questions in a brand new and unique means, it's best to worth your book as excessive as you can go. You'll obtain larger earnings this way, however bring in fewer customers. Just be sure that the query or problem that your guide solves is one which is necessary and related to the majority of your market audience. If your ideas will not be frequent data, or you might be presenting a model new method, you will be able to sell books at a excessive price. Simply be ready in your competitors to undercut you on worth as soon as they hear about your book.

Remember that the above pricing strategy is temporary. Finally, you'll stop to sell books at this excessive price. So work out upfront how lengthy you plan to offer your e-book at this excessive value, and when that time is up, change your pricing strategy.

If you wish to see massive income over customer draw, aim for an audience that's searching for simple options to their problems at a low price. In case your guide is aimed toward solving one particular downside somewhat than general recommendation, then you may charge more. Begin on the highest price the market will bear to bring in the largest income, and plan to discount the ebook a variety of instances throughout the year.

## Advertising and marketing Methods

The important thing that unlocks the gross sales potential of your ebook is to discover a single sentence that turns into your selling handle. This sentence states what question or drawback your ebook answers and the benefits your e-book can provide. Then you'll want to use that sentence in

each piece of gross sales and promotional materials, and each time anybody asks you about your ebook.

Besides selling your books assiduously on-line, there are a number of other methods that can help you promote extra books.

One is to give one thing away for free with your ebook, equivalent to a valuable bonus item. Or bundle several ebooks under one value, which lowers the worth for every book if they were bought separately.

An effective technique for determining a price is to ship out a survey to your present customers. If these customers have already bought an ebook from you, ask for their opinion by way of price. Do this by creating a gross sales web page for the new ebook, but do not embrace a worth on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by making a variety of duplicate sales pages with completely different costs on each page. Ensure that your gross sales copy is precisely the same on every web page, and contains your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum value is.

Ultimately, in case you've written a e-book that solves a problem or presents a new method, your e-book will bring in each visitors and profits. So you should definitely write that promoting-deal with sentence that sums up what problem your book solves and what the benefits of your *Integrated Algebra Regents Survival Guide* e book might be to the purchasers who buy it. And then watch your market come to you!
