Tips on how to Value Your **Netapp Express Guide** eBook

You've got written and compiled an **Netapp Express Guide** ebook. Now you need to decide how a lot to cost for it. Discovering the best worth is important to the success of your product. If you charge too little Netapp Express Guide, people will assume it is of little worth, they usually won't purchase it, or even if they do purchase your guide, you'll have to promote 1000's of copies to get to the point the place you may start to see a profit. When you *Netapp Express Guide* price it too high when put next together with your competitors, one can find yourself steadily decreasing the price, which will trigger you every kind of new problems within the future.

Choosing the right price to your **Netapp Express Guide** book is among the most crucial elements of the advertising and marketing process. The first rule of pricing ebooks is to by no means underprice. Decide the best value your audience can afford, after which in case you discover your e-book isn't promoting, you'll be able to always reduce the price. Earlier than you're taking that step, be sure you are selling your Netapp Express Guide e book like crazy on the Web and on websites. The worth ought to be aimed toward bringing in income, but it is best to by no means overlook that price is likely one of the factors that people use in judging the value of your *Netapp Express Guide* e-book ? before they buy it. So all the time start with the highest price, and then launch a mega-marketing campaign.

Pricing an e book is especially tough because ebooks are a reasonably new commodity. Since they're

digital, the value of an ebook is as complicated as the understanding of what digital actually is to the average layperson. Which means we must look at ebooks in a unique gentle to be able to decide their precise worth on this courageous, new cyber world.

Let's take a look at the distinction between a book in print and an ebook. A printed book is an object you possibly can maintain in your hand, store on your bookshelf, even hand down to the subsequent generation. It is priced on components such as paper inventory, design and manufacturing prices, and marketing.

But the fact that unites ebooks and print books is that they are composed of ideas. It is the ideas in these books which have the ability to alter, or probably remodel, folks's lives.

What do you think an idea is price when evaluated in opposition to the cost of paper and ink?

It's the IDEAS which are invaluable! That's the way you determine the cost of your ebook.

What ought to I charge for my ideas?

There are all completely different formulation and strategies for determining the proper worth on your ebook. Let's begin with honing in in your ultimate goals.

Decide in case your aim is to get large distribution and most exposure. This goal is geared toward drawing clients to your online business or service, or to establishing the credibility of your reputation. If that is your fundamental objective, it is best to purpose to keep your worth on the low side. Some authors have even priced their ebooks at a revenue loss to draw a high number of new customers. The key is to find a value that maximizes your profits and the variety of books you sell.

This is a superb pricing technique if you're looking to acquire long-term customers. Lengthy-term clients are extremely seemingly to purchase from you once more and once more ? so long as the first e book they purchase is of distinctive high quality and helpful to the customer.

However, in case your ebook accommodates priceless ? and extra importantly NEW info, references, or methods ? then you should goal to price it on the excessive end.

After you determine your aim, you have to determine what your viewers's need is to your ebook. For example, does your e book remedy a selected drawback? If it does, and solves it in a manner that hasn't been written about in 100 different ebooks, you can be able to achieve excessive gross sales at a excessive price. In case your ebook solves a problem or solutions questions in a brand new and

distinctive approach, you need to price your book as high as you can go. You will achieve bigger profits this manner, but bring in fewer customers. Simply make certain the question or drawback that your guide solves is one which is important and relevant to nearly all of your market audience. If your ideas should not widespread data, or you might be presenting a brand new approach, you will be able to sell books at a high price. Just be prepared in your competition to undercut you on value as soon as they hear about your book.

Remember the fact that the above pricing technique is temporary. Finally, you will cease to sell books at this excessive price. So work out in advance how lengthy you plan to offer your ebook at this high worth, and when that time is up, change your pricing strategy.

If you wish to see large profits over customer draw, goal for an audience that is in search of simple solutions to their issues at a low price. In case your ebook is aimed at solving one specific downside reasonably than general recommendation, then you can charge more. Start at the highest worth the market will bear to usher in the largest income, and plan to low cost the e-book a variety of times all through the year.

Advertising Methods

The key that unlocks the gross sales potential of your e-book is to find a single sentence that turns into your selling handle. This sentence states what question or problem your guide solutions and the advantages your e book can provide. Then remember to use that sentence in every piece of gross sales and promotional material, and every time anybody asks you about your ebook.

Besides promoting your books assiduously online, there are several other methods that can help you promote extra books.

One is to present something away without cost together with your e-book, corresponding to a invaluable bonus item. Or bundle a number of ebooks beneath one worth, which lowers the price for each e-book in the event that they have been sold separately.

An efficient technique for figuring out a price is to send out a survey to your present customers. If these customers have already bought an e book from you, ask for their opinion by way of price. Do this by creating a sales page for the new guide, however do not embody a price on that page. As an alternative, add numerous links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with totally different costs on each page. Ensure your gross sales copy is strictly the similar on every

web page, and contains your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. It will inform you what your optimum worth is.

Finally, if you happen to've written a e book that solves a drawback or presents a new method, your guide will bring in each site visitors and profits. So be sure you write that promoting-handle sentence that sums up what drawback your e-book solves and what the benefits of your *Netapp Express Guide* guide will be to the customers who buy it. And then watch your market come to you!
