page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Be certain that your sales copy is strictly the same on each web page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your website and gross sales of your book. This will let you know what your optimum price is.

In the end, should you've written a e-book that solves a downside or presents a new approach, your e book will bring in each visitors and profits.
