The key that unlocks the gross sales potential of your e-book is to find a single sentence that turns into your selling handle. This sentence states what question or problem your book answers and the benefits your ebook can provide. Then you'll want to use that sentence in every piece of sales

and promotional materials, and every time anybody asks you about your ebook.

An effective technique for figuring out a worth is to send out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for their opinion in terms of price. Do this by creating a gross sales web page for the new book, however do not embody a worth on that page. Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a variety of duplicate gross sales pages with totally different prices on every page. Be sure that your gross sales copy is strictly the identical on each web page, and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between guests to your website and sales of your book. This may tell you what your optimum value is.

Finally, if you've written a ebook that solves a problem or presents a new technique, your guide will herald both site visitors and profits. So you'll want to write that promoting-handle sentence that sums up what drawback your e book solves and what the advantages of your 12 e book will probably be to the purchasers who buy it.
