Advertising Strategies

The key that unlocks the sales potential of your e book is to discover a single sentence that becomes your promoting handle. One is to present something away at no cost with your guide, akin to a invaluable bonus item. Or bundle several ebooks under one price, which lowers the worth for each book if they were sold separately.

An efficient technique for determining a value is to send out a survey to your present customers. If these prospects have already bought an e-book from you, ask for their opinion when it comes to price. Do this by creating a gross sales web page for the brand new guide, but don't embrace a value on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with completely different costs on every page. Be certain your sales copy is exactly the similar on each page, and includes your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This may let you know what your optimum value is.

In the end, for those who've written a guide that solves a downside or presents a brand new

approach, your book will bring in both traffic and profits. So be sure to write that promoting-handle sentence that sums up what downside your book solves and what the benefits of your 1292 guide shall be to the shoppers who purchase it. And then watch your market come to you!
