As a substitute, add a variety of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with totally different prices on every page. Make sure your sales copy is strictly the similar on each

web page, and includes your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum worth is.

Finally, for those who've written a ebook that solves a downside or presents a brand new approach, your book will herald both traffic and profits.
