and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and sales of your book. This may tell you what your optimum value is.

Finally, if you've written a book that solves a problem or presents a brand new technique, your book will herald each visitors and profits. So you'll want to write that promoting-handle sentence that sums up what downside your e book solves and what the benefits of your 1583 guide will likely be to the customers who purchase it.
