sales and promotional material, and each time anybody asks you about your ebook.

In addition to selling your books assiduously online, there are a number of different methods that can make it easier to sell extra books.

One other strategy is to check out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Be sure that your gross sales copy is exactly the identical on each web page, and contains your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum price is.

Finally, when you've written a e-book that solves a drawback or presents a brand new approach, your e-book will usher in each traffic and profits.
