One other technique is to test out prices by making a variety of duplicate gross sales pages with different prices on each page. Make certain your gross sales copy is strictly the identical on each

page, and contains your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and sales of your book. This will tell you what your optimum value is.

Finally, in case you've written a book that solves a downside or presents a new approach, your e book will usher in each traffic and profits.
