An effective approach for determining a value is to ship out a survey to your current customers. If these clients have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by creating a sales page for the new e book, but do not include a worth on that page. Be certain that your gross sales copy is exactly the similar on each web page, and consists of your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum value is.
