An efficient technique for determining a worth is to send out a survey to your present customers. If these prospects have already purchased an e book from you, ask for his or her opinion in terms of price. Do this by creating a sales page for the brand new book, however don't embrace a worth on that page. Instead, add a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to check out prices by creating a variety of duplicate sales pages with totally different costs on every page. Be certain that your sales copy is precisely the same on each web page, and includes your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and sales of your book. This can inform you what your optimum price is.

Ultimately, for those who've written a book that solves a problem or presents a brand new approach, your e-book will usher in both visitors and profits.
