One other technique is to test out prices by creating a number of duplicate gross sales pages with different costs on every page. Be sure your gross sales copy is precisely the identical on each

page, and consists of your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your website and sales of your book. It will tell you what your optimum worth is.

Finally, when you've written a e book that solves a problem or presents a new approach, your book will usher in both traffic and profits.
