If these customers have already purchased an e book from you, ask for his or her opinion by way of price. Do that by creating a sales web page for the new ebook, but do not include a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Be certain that your sales copy is exactly the same on

every page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your website and gross sales of your book. This will tell you what your optimum worth is.

In the end, if you happen to've written a guide that solves a downside or presents a brand new technique, your e-book will usher in each site visitors and profits.
