If these customers have already bought an ebook from you, ask for their opinion when it comes to price. Do that by making a gross sales web page for the new guide, but don't embrace a price on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Make sure your gross sales copy is exactly the same on every page, and consists of your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum value is.

Finally, in the event you've written a ebook that solves a drawback or presents a new method, your e book will usher in both visitors and profits. So you'll want to write that promoting-handle sentence that sums up what problem your book solves and what the benefits of your 333 e book can be to the shoppers who buy it.
