An effective method for figuring out a worth is to ship out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales page for the new guide, however don't include a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with totally different prices on each page. Be sure your gross sales copy is precisely the identical on every

page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum price is.

In the end, for those who've written a book that solves a problem or presents a new method, your book will usher in each visitors and profits.
