An efficient approach for figuring out a value is to ship out a survey to your present customers. If these customers have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by making a gross sales web page for the brand new ebook, however do not include a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out costs by making a variety of duplicate sales pages with completely different costs on each page. Ensure your gross sales copy is exactly the identical on every web

page, and includes your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. This will let you know what your optimum worth is.

Finally, in the event you've written a guide that solves a downside or presents a brand new approach, your e book will herald both traffic and profits. So make sure to write that promoting-deal with sentence that sums up what problem your guide solves and what the benefits of your 580 e book will be to the purchasers who buy it.
