Another strategy is to test out prices by making a number of duplicate gross sales pages with different prices on every page. Be sure that your sales copy is precisely the similar on every page, and includes your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. This will tell you what your optimum price is.

Finally, should you've written a e-book that solves a problem or presents a new approach, your e-book will herald both traffic and profits.
