Do this by making a gross sales web page for the new e-book, however do not embrace a value on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out costs by making a variety of duplicate sales pages with different costs on every page. Make sure that your gross sales copy is exactly the same on each web page, and

consists of your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your website and sales of your book. This can inform you what your optimum value is.

In the end, in the event you've written a guide that solves a downside or presents a new technique, your e-book will herald both visitors and profits.
