An effective approach for figuring out a value is to ship out a survey to your current customers. If these customers have already purchased an book from you, ask for their opinion by way of price. Do that by creating a gross sales web page for the brand new ebook, however don't include a price on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with different prices on every page. Be certain that your gross sales copy is precisely the identical on each web page, and includes your promoting-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. This will tell you what your optimum value is.
