Choosing the right value in your **Unit 6 Biology Study Guide** e-book is without doubt one of the most critical elements of the advertising process. The first rule of pricing ebooks is to never underprice. Decide the best price your viewers can afford, and then if you find your guide isn't selling, you possibly can all the time reduce the price. Before you're taking that step, be sure you are selling your Unit 6 Biology Study Guide ebook like crazy on the Internet and on websites. The price must be aimed toward bringing in income, but you should never forget that price is among the elements that individuals use in judging the worth of your *Unit 6 Biology Study Guide* ebook? before they buy it. So always begin with the very best value, and then launch a mega-advertising campaign.

Pricing an e-book is particularly troublesome because ebooks are a fairly new commodity. Since

they're digital, the value of an e-book is as complicated because the understanding of what digital really is to the common layperson. Because of this we must take a look at ebooks in a distinct light so as to determine their actual worth on this courageous, new cyber world.

Let's take a look at the difference between a ebook in print and an ebook. A printed e book is an object you'll be able to maintain in your hand, store on your bookshelf, even hand down to the next generation. It is priced on elements such as paper inventory, design and manufacturing prices, and marketing.

However the fact that unites ebooks and print books is that they're composed of ideas. It's the concepts in these books which have the power to change, or possibly remodel, folks's lives.

What do you assume an thought is worth when evaluated against the price of paper and ink?

It's the IDEAS which can be helpful! That is the way you decide the price of your ebook.

What should I charge for my ideas?

There are all different formulas and strategies for determining the correct worth to your ebook. Let's start with honing in on your final goals.

Resolve in case your aim is to get vast distribution and most exposure. This aim is geared toward drawing clients to your corporation or service, or to establishing the credibility of your reputation. If this is your primary objective, it is best to purpose to maintain your price on the low side. Some authors have even priced their ebooks at a profit loss to attract a excessive number of new customers. The key is to find a value that maximizes your profits and the variety of books you sell.

This is a wonderful pricing technique if you are seeking to purchase lengthy-time period customers. Lengthy-term customers are extremely doubtless to purchase from you again and again ? so long as the first e book they purchase is of distinctive quality and useful to the customer.

Nevertheless, if your book incorporates valuable ? and extra importantly NEW info, references, or techniques ? then you should aim to price it on the high end.

After you figure out your aim, you will need to determine what your viewers's need is on your ebook. For instance, does your book clear up a selected drawback? If it does, and solves it in a method that hasn't been written about in one hundred different ebooks, you may be able to obtain high gross

sales at an excessive price. If your e-book solves an issue or answers questions in a new and distinctive way, it's best to price your e-book as high as you can go. You will achieve bigger profits this way, however, you will attract fewer customers. Just make sure that the query or drawback that your book solves is one that is important and relevant to nearly all of your market audience. If your ideas usually are not frequent information, or you're presenting a model new method, it is possible for you to promote books at a high price. Just be ready on your competitors to undercut you on worth as quickly as they hear about your book.

Keep in mind that the above pricing technique is temporary. Eventually, you will cease to sell books at this high price. So work out in advance how lengthy you plan to supply your book at this excessive price, and when that time is up, change your pricing strategy.

If you want to see giant income over customer draw, goal for an audience that is on the lookout for easy options to their problems at a low price. If your e-book is geared toward solving one specific problem moderately than general recommendation, then you'll be able to cost more. Begin at the highest value the market will bear to bring in the largest income, and plan to discount the e-book a number of instances throughout the year.

## Marketing Methods

The key that unlocks the gross sales potential of your e-book is to find a single sentence that turns into your selling handle. This sentence states what question or downside your ebook solutions and the advantages your book can provide. Then make sure you use that sentence in every piece of

gross sales and promotional materials, and each time anyone asks you about your ebook.

In addition to selling your books assiduously on-line, there are several other methods that can aid you promote more books.

One is to provide something away totally free along with your e book, similar to a invaluable bonus item. Or bundle several ebooks below one worth, which lowers the value for each e book if they were sold separately.

An efficient method for determining a value is to ship out a survey to your present customers. If these customers have already purchased an book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the new e book, but do not embrace a price on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out costs by making a variety of duplicate sales pages with totally different costs on every page. Make certain your gross sales copy is exactly the same on each web page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your website and gross sales of your book. It will inform you what your optimum price is.

In the end, if you've written a e-book that solves a problem or presents a brand new technique, your e book will usher in both traffic and profits. So you should definitely write that selling-deal with sentence that sums up what drawback your e book solves and what the advantages of your *Unit 6 Biology Study Guide* e-book will be to the shoppers who purchase it. And then watch your market come to you!
