If these prospects have already purchased an ebook from you, ask for their opinion when it comes to price. Do that by creating a gross sales page for the new book, however do not embrace a worth on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with different costs on every page. Be sure that your gross sales copy is precisely the similar on every

page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum price is.
